

Donate

By donating to SLPP you help to provide our clients with a safe and healing environment to recover, reintegrate and rebuild their lives. Donations help to fund existing programs and new initiatives for clients served by the agency.

General Donations

General donations will go to support the programs and services of the agency.

In Tribute / In Honor Donations

Make a donation to honor someone who is celebrating a special occasion (i.e., wedding anniversary, birthday, and graduation). SLPP will send a card with your special message to the person(s) being honored.

Third-Party Fundraisers

We invite you to share your passion for SLPP with friends, family, and your community through third-party fundraiser events. Please contact us for more information on how to donate the proceeds of a dinner, dance, tournament, birthday party, or walkathon to SLPP.

All donations above \$10.00
will receive a tax receipt

Registered Charity Number:
11918 5098RR

How to Apply

To apply for the *New Leaf Program*, applicants must complete an “Expression of Interest” form that can be accessed via SLPP’s website (www.stleonardsplace.com). To receive the form electronically, please email us at info@slpp.ca

Applicants in a federal correctional facility must complete an “Application for Residency” form that can be accessed through a member of their Case Management Team. Applications for SLPP’s *Community Residential Facility Program* will be reviewed and decided by a Community Assessment Team. Successful applicants will be advised of their acceptance into the program via a confirmation sent by post mail.

Eligibility

All residents are expected to be active members of SLPP’s community by participating in daily programming and complying with their reintegration plans.

Additional eligibility criteria include:

- 18 years of age or older
- Dedication to making positive life changes
- Ability to comply with house rules, treatment programs, work requirements, and curfews
- Agreement to participate actively in case management plans and processes
- 30 days of sobriety prior to intake
- 3 months of mental health stability prior to intake
- Where applicable, demonstrated compliance with community supervision orders and correctional plans

About Us

At St. Leonard's Place Peel (SLPP) we understand that situations of mental illness, addiction, or conflict with the law can be difficult to overcome. We also acknowledge that, with the right supports and a strong personal commitment to change, **a brighter future is possible.**

For more than 45 years, St. Leonard's Place Peel has offered a space of healing and reintegration for men 18 years and older. Our supportive housing program and wraparound supports provide men dedicated to their recovery journey with an opportunity of a fresh start.

SLPP's model of care is strengths-based and person-centered. Every client is engaged as a partner in a plan of care that is customized to the needs of the individual seeking support. Each client is supported by a multidisciplinary team of staff with expertise across a broad range of professional backgrounds - including social work, nursing, personal support work, nutrition counselling, psychiatry, criminal justice, and recreational therapy.

Residential Programs

St. Leonard's Place Peel offers three streams of supportive housing programs. They are:

New Leaf Program

Provides housing and wraparound supports to adult men in the community overcoming situations of homelessness due to acute mental illness and/or substance abuse. Clients are required to demonstrate reasonable level of stabilization in their recovery journey as well as a readiness to live a substance-free lifestyle. Service provider and self-referral accepted.

Reintegration / Community Residential Facility Program

Offers case management and correctional planning in a supportive living environment for men transitioning from a federal correctional facility. Applicants must show a commitment to living a pro-social and law-abiding lifestyle. Applications are referred through Correctional Services Canada (CSC) or self-referral while in a CSC facility.

Graduate Program *(Formerly known as SLPP Domicile)*

Clients 50 years and older who have successfully transitioned from either the New Leaf or the Reintegration Program may apply for residency as a 'Graduate.' This program builds the capacity of men advanced in age to eventually live independently with confidence in the broader community. Applications by internal SLPP referral only.

Other Programs & Services

- Recreation Therapy Day Program, designed to improve and restore physical and mental health wellness among clients. This program is led by a Certified Recreational Therapist.
- On-site employment and financial literacy program.
- On-site addiction programming for clients dealing with substance abuse, misuse, or dependency issues.
- On-site medical and psychiatric supports provided by a Community Psychiatrist and Registered Practical Nurse.
- On-site medication access for clients living with physical and mental health issues and in need of assistance managing medications.
- Meal & Nutrition Program, offering residents three healthy meals per day according to Canada's Nutritional Guidelines.
